Contribute to the program ?

If you would like to submit your electronic music in 256kbps MP3 / 320kbps MP3 or .WAV format or sent a cd/cdr to my personal adres for my radioprogram E-Cloud FM, please contact me at: [espdomain@ziggo.nl](mailto:espdomain@ziggo.nl) / [www.wetransfer.com](http://www.wetransfer.com) is a good file hosting site. A short biography is also welcome.

You agree that contribution(s) never imply any obligation to Marc van Oers. When you submit music to E-Cloud FM you represent that you own, or have licensed all rights relating to this submitted material. This includes rights related to compositions, sound recordings, artwork, images, trademarks, etc. Please send no Dance, Trance, Techno, House or other relative music styles. Reason: These styles are great, but not discussed in my radio program. Sometimes we change the 'volume' or delete 'emty spaces', to make tracks suitable for radio play.
